

Let's Make a Sea Turtle

To make a turtle you will need:

- Paper plates
- Light green tissue/crepe paper
- Dark Green tissue/crepe paper
- Goggle eyes
- Glue
- Scissors
- Blackline master
- Dark green Card
- Stapler

Adult Preparation:

1. Cut or tear up light and dark green paper.
2. Print blackline master onto green card for each child.
3. Precut the arms and legs depending on the ages of your children.

Child Instructions:

1. Cut-out the arms and legs for your turtle.
2. Glue goggle eyes onto the face
3. Leave to dry.
4. Take one paper plate
5. Glue small pieces of tissue paper all over
6. Fix legs head arms and tail with staples or glue..
7. Write a prayer for Fiji on the inside of the shell
